## Meet the Métis

Let us introduce you to Métis Crossing and the Métis peoples through art, dance, story telling, nature and traditional practices. Join our Métis interpreter in an exploration of the unique history, culture, language, and way of life of traditional Métis people. Step inside historic river lot homes that once belonged to the Sinclair and Cromerty families that settled here in the 1800's. Put yourself in the shoes of these families as you explore their homes and yards and live how they once lived on this very lot.

## Métis Craft

Get in touch with your artistic side and learn a traditional art project that you can take home as a reminder of your experience at Métis Crossing!

## Kitchen Party for Seniors

Join us for a heartwarming and lively Kitchen Party designed especially for seniors! This gathering is a delightful celebration of community, food, and music, where everyone is invited to share stories, laughter and joy. Our kitchen party is reminiscent of the traditional gatherings where friends and family would come together around the kitchen table, creating a warm and welcoming atmosphere that feels just like home. Come and experience the true spirit of community at our Kitchen Party for Seniors – where the kitchen is always the heart of the home!
